

# Feed The Frog

1. Introductions
2. Give background info on amphibians
3. Hand out masks and bugs
4. Ask students to color each sheet. While students are coloring, tell them some frog facts
5. Have students use hole punch to place holes on the mask. Attach yarn to mask
6. Next, punch holes in nose and mouth
11. Thank everyone for participating, compliment behavior and answer any questions the children may still have

# Feed The Frog

7. Hand out velcro and party blowers and have students attach velcro to bugs and to the end of the party blower
8. Tie on mask
9. Have a bug eating race
10. Have students replace markers, scissors and hole punches into appropriate container on the table. Throw away trash
